Look! Here comes Thomas!
He's a happy, blue steam
engine on the Island of Sodor.

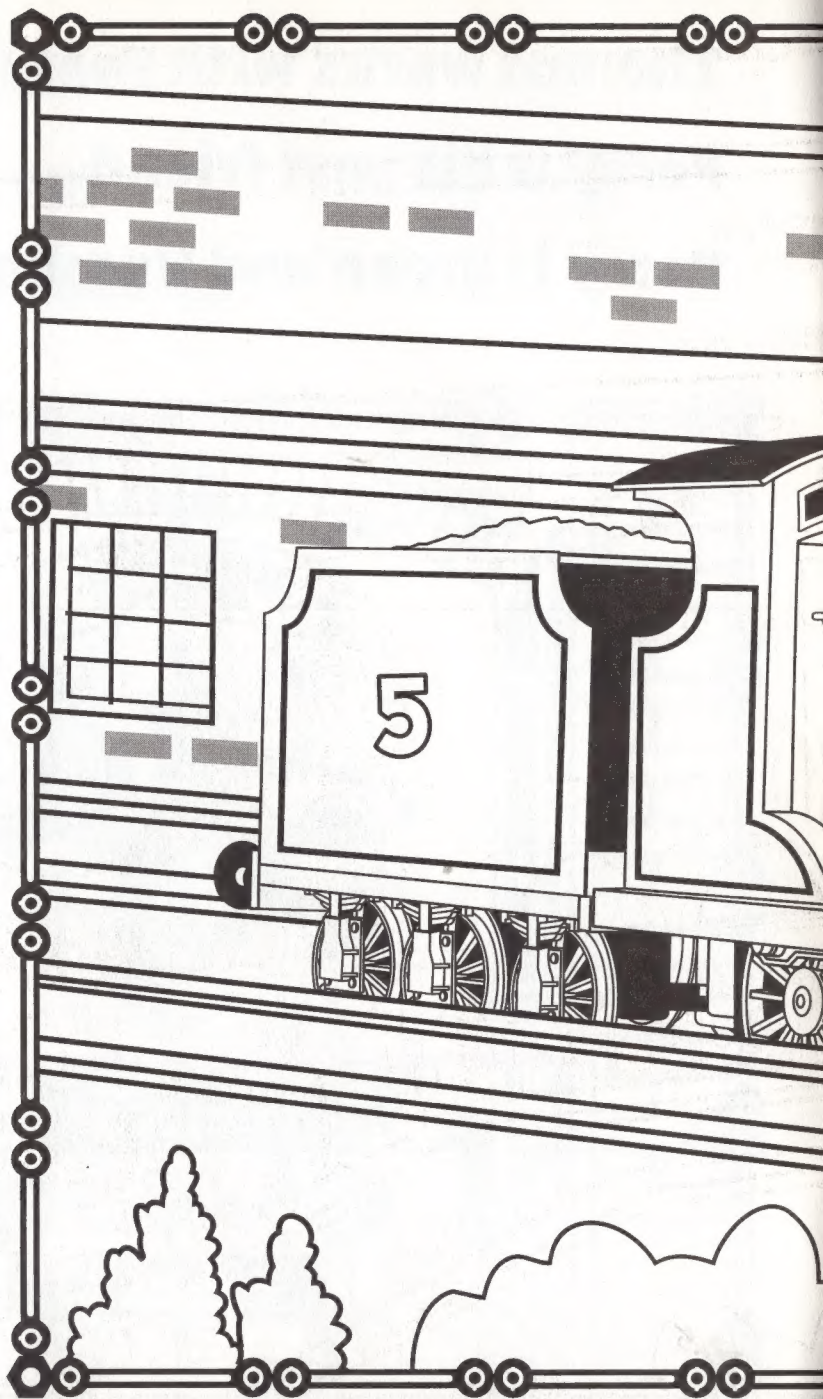

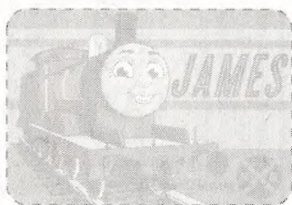

Thomas works with Percy.

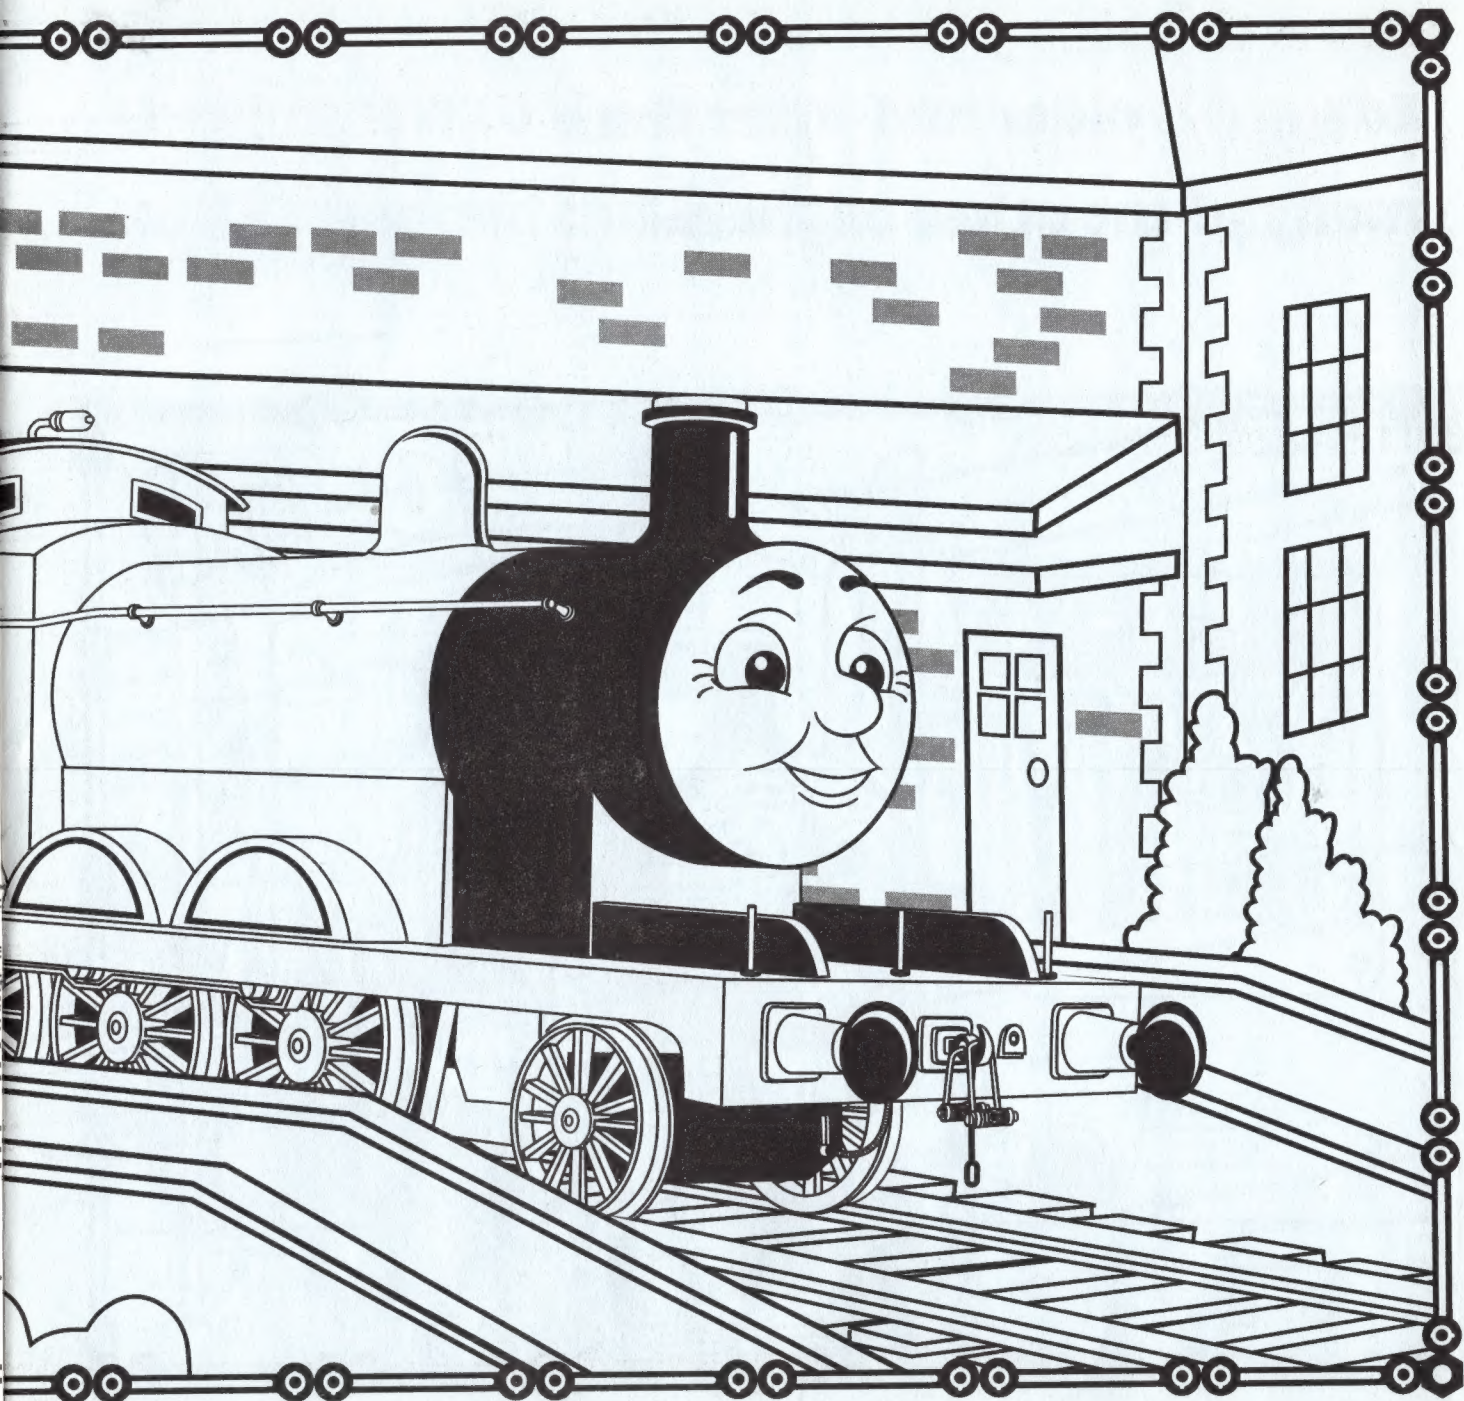

Percy is his best friend.

Percy is green and Number 6.

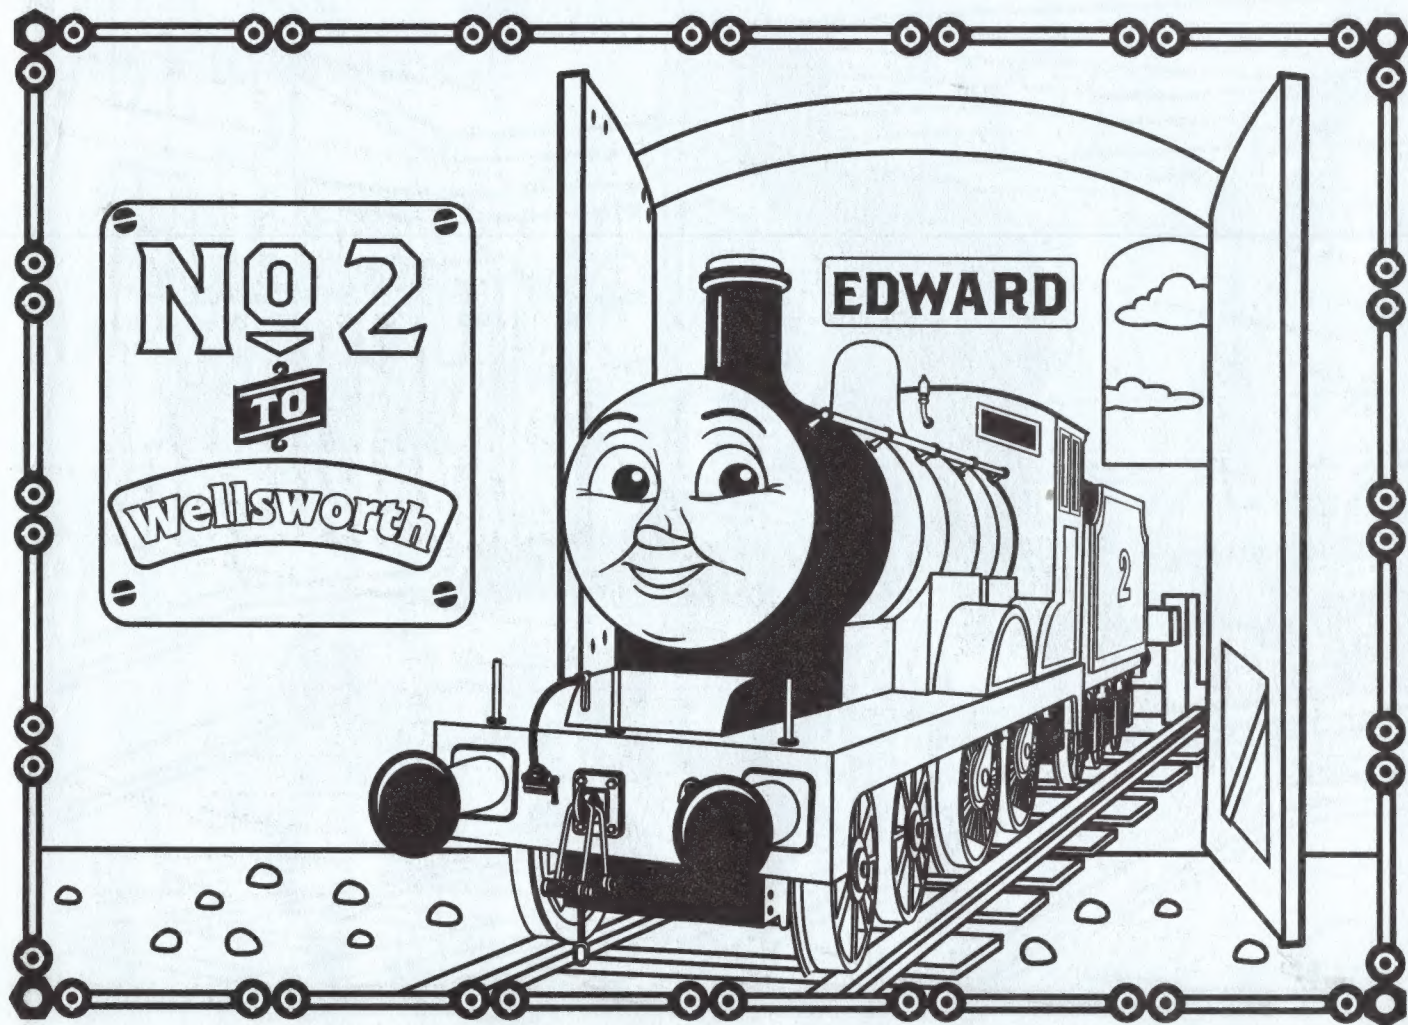

**Who is this shiny
red engine? This
is James! He says,
"I'm a Really
Splendid Engine."**

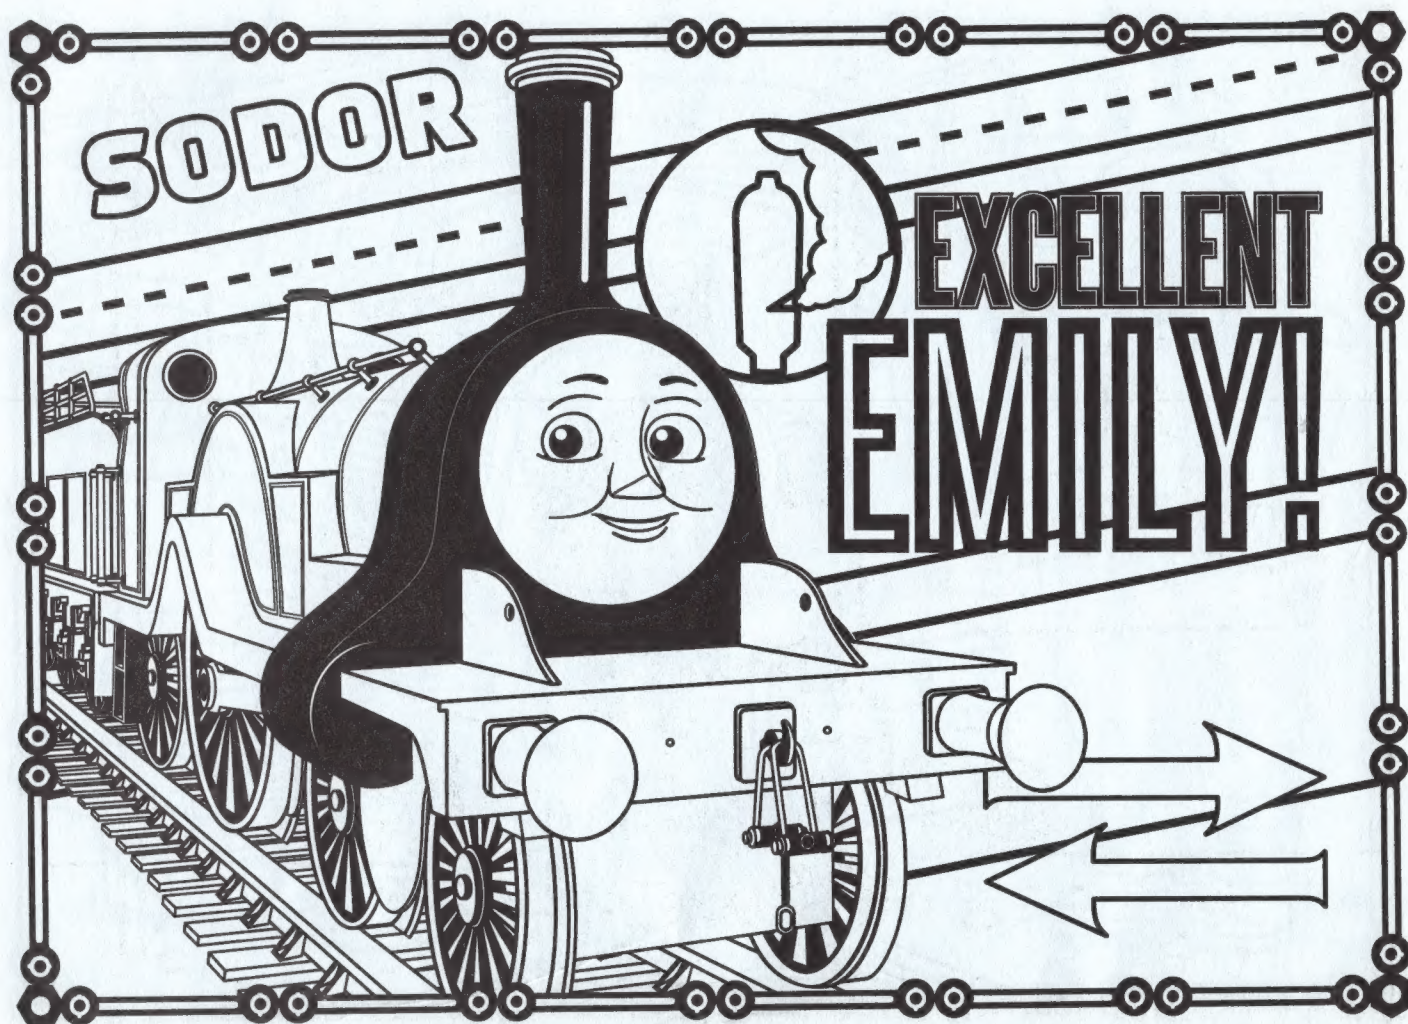

**Edward is older and wiser than
many of the other engines.**

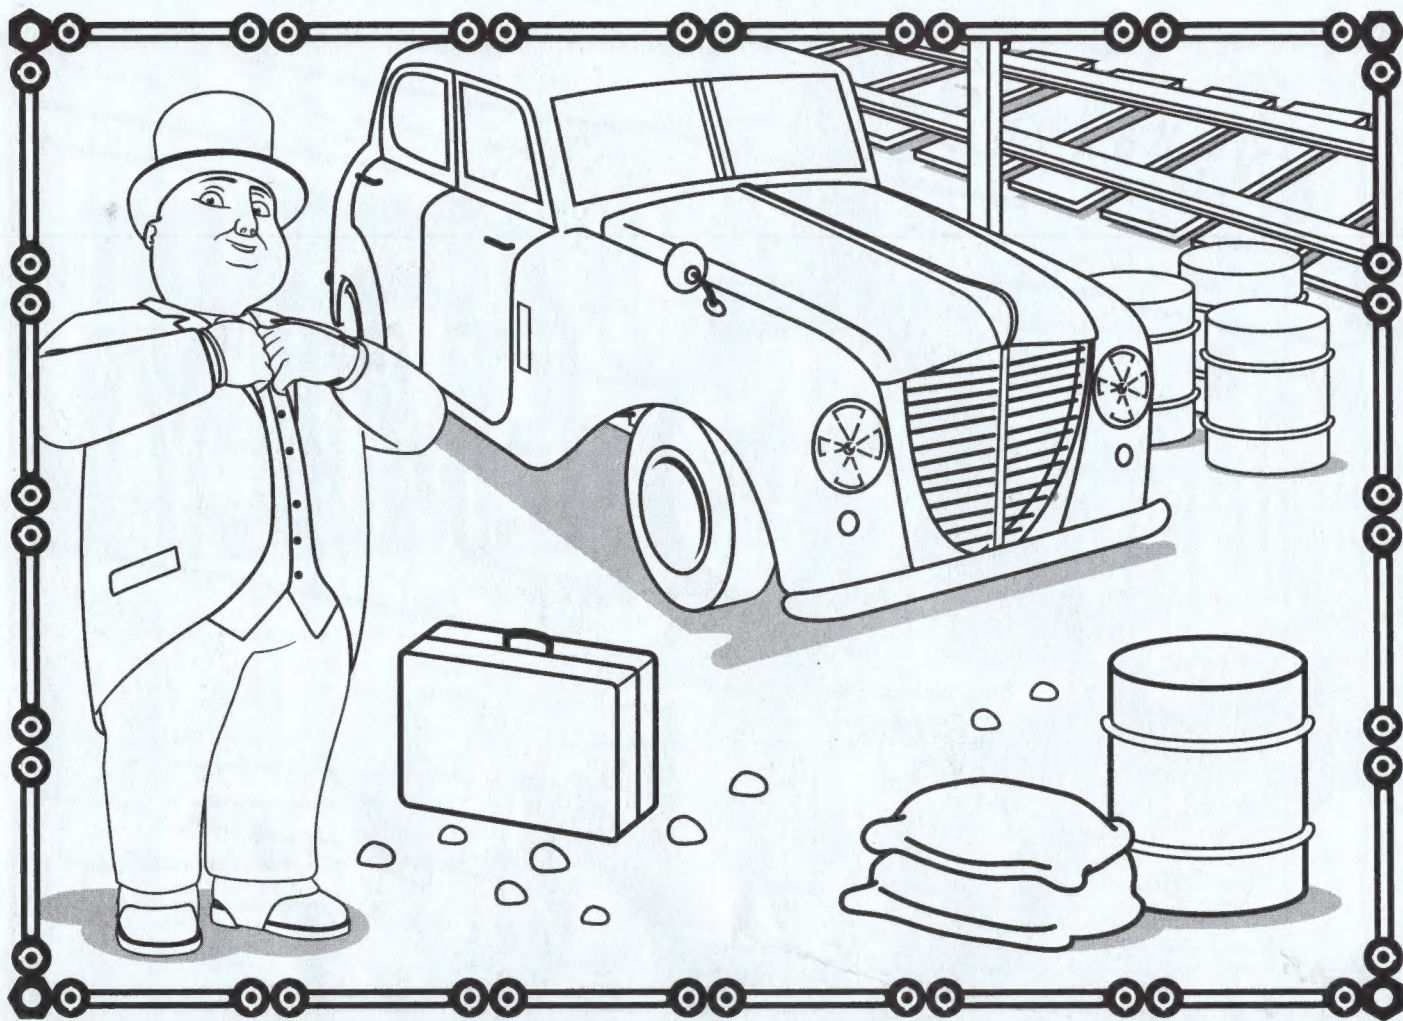

Emily is new to the Steam Team.

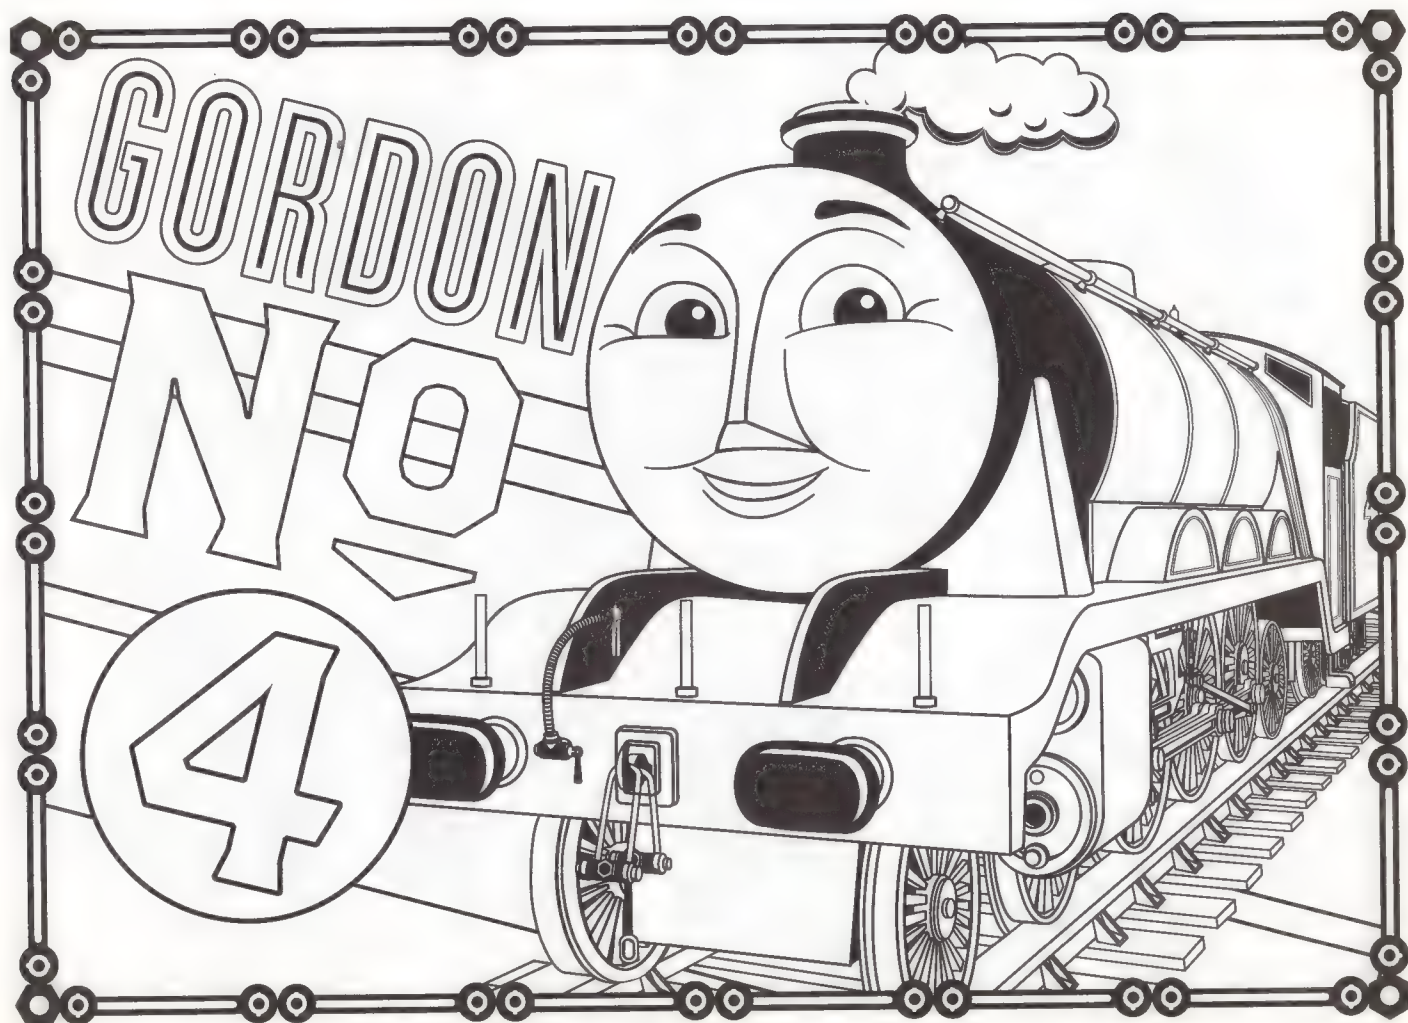

How clever and cheerful she is!

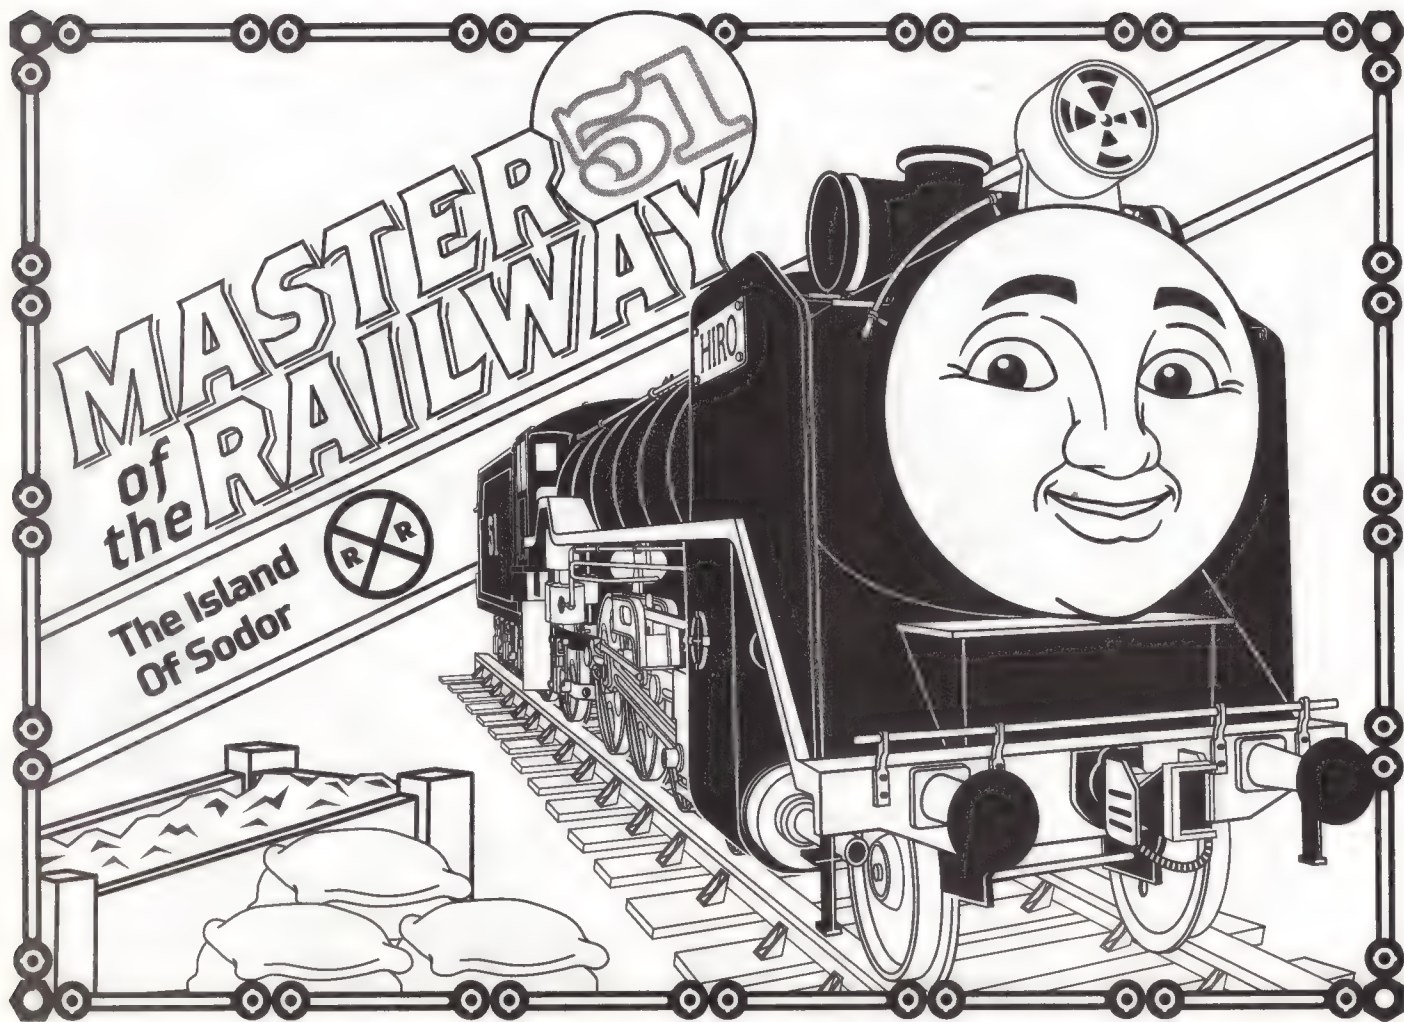

**Sir Topham Hatt is the director
of the Railway. He makes sure
the engines are "Right on time!"**

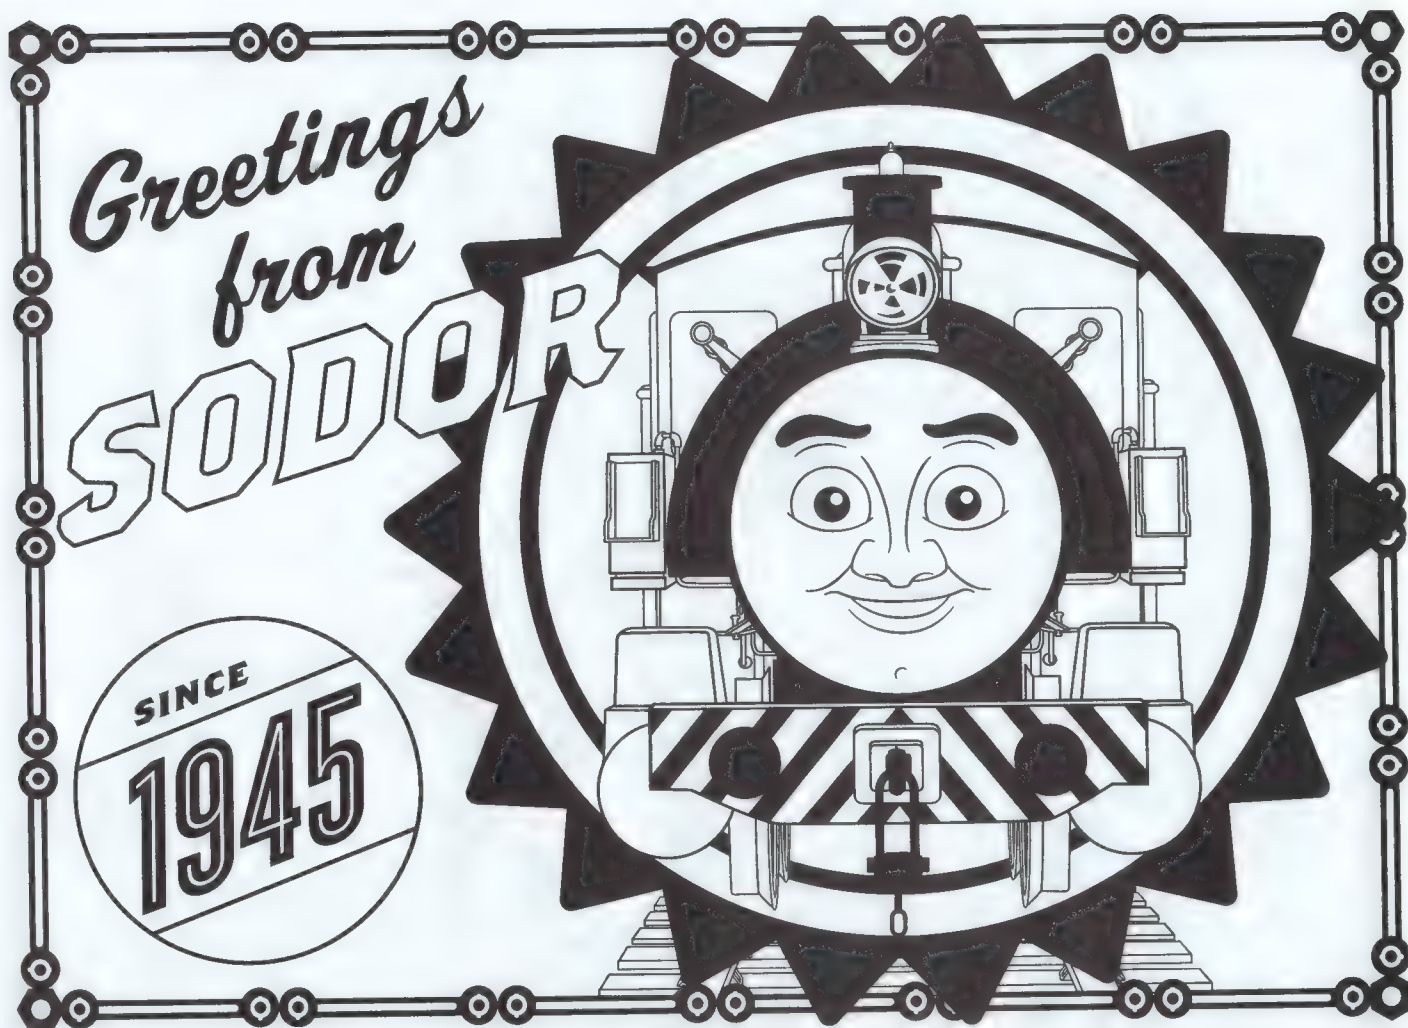

**Gordon is the fastest and
most powerful member of
Sir Topham Hatt's Steam Team.**

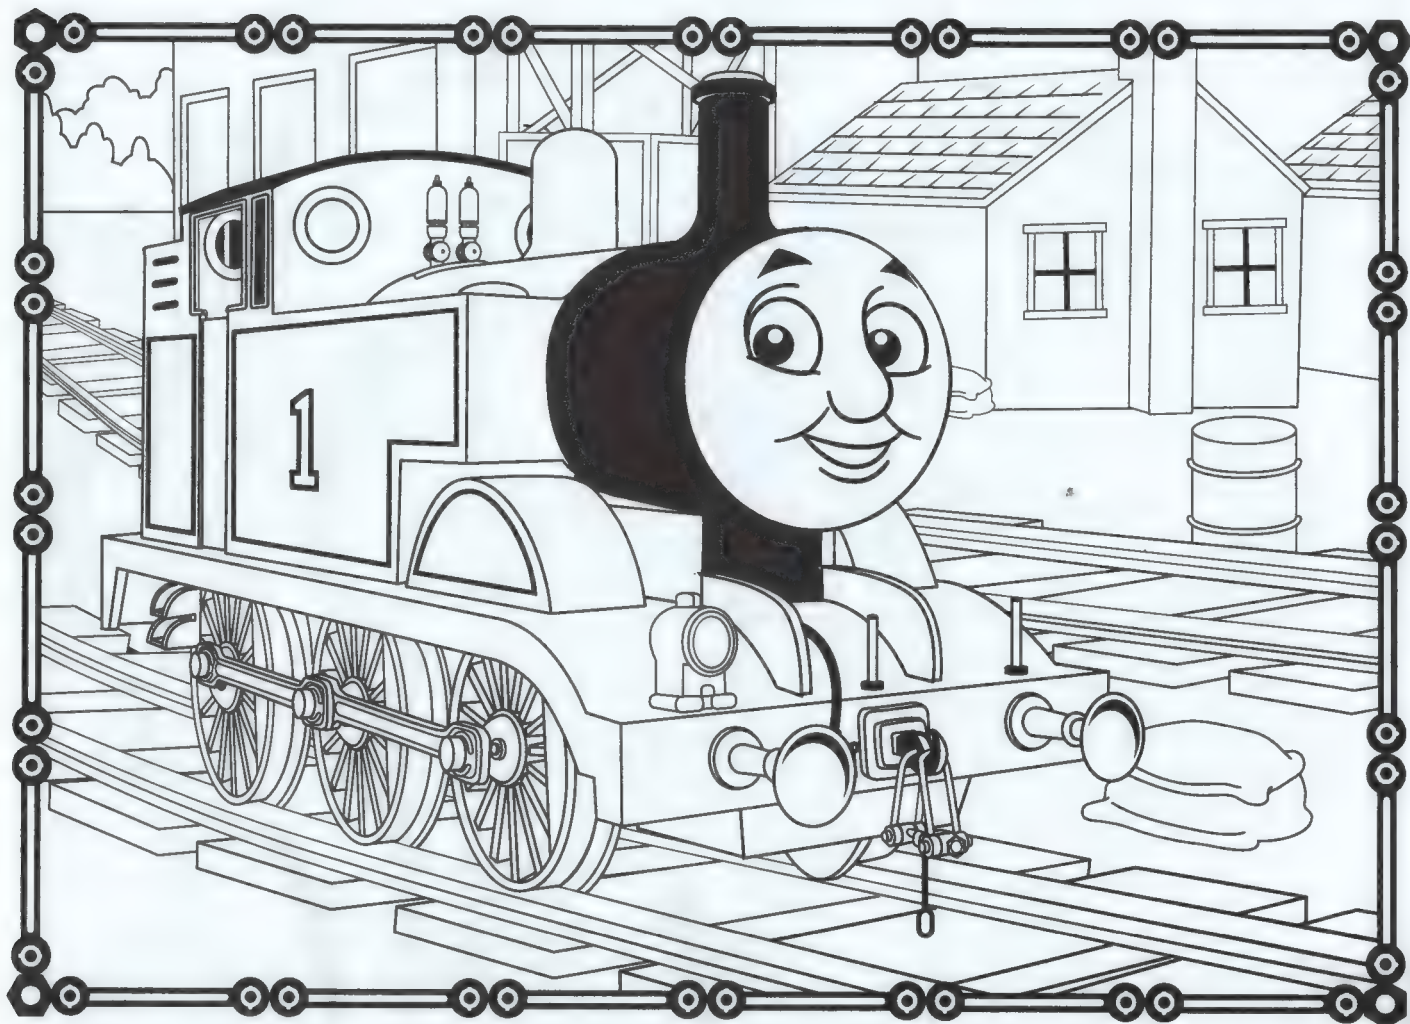

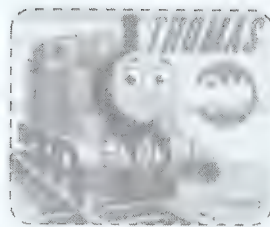

**The very first engine to come
to Sodor was Hiro. He was the
“Master of the Railway.”**

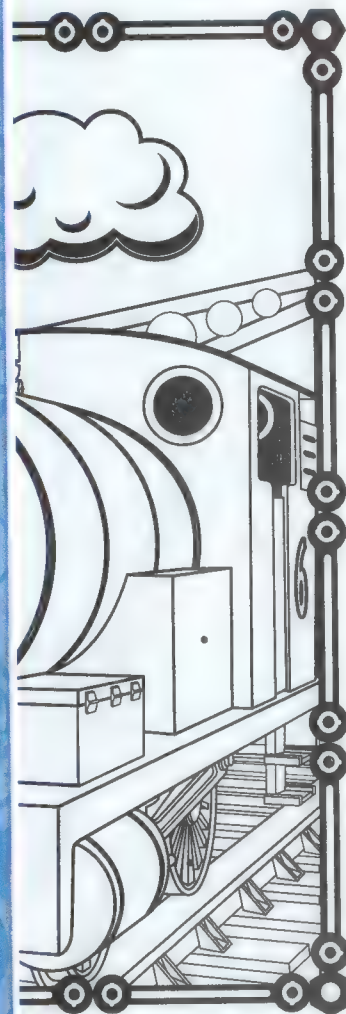

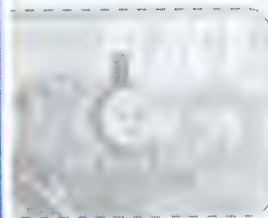

**This red and black engine is
the manager of the Sodor
Steamworks. His name is Victor.**

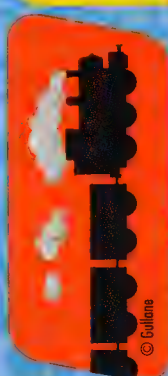

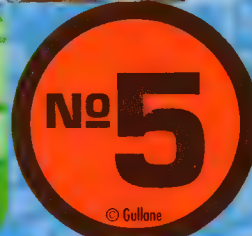

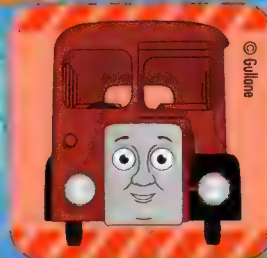

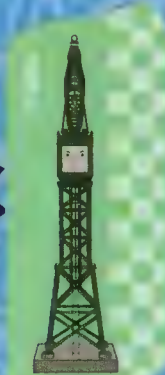

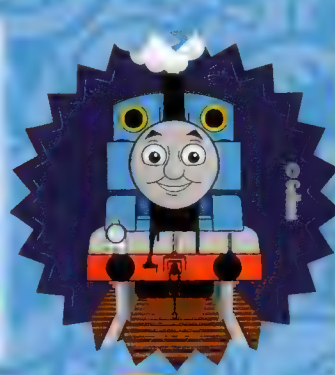

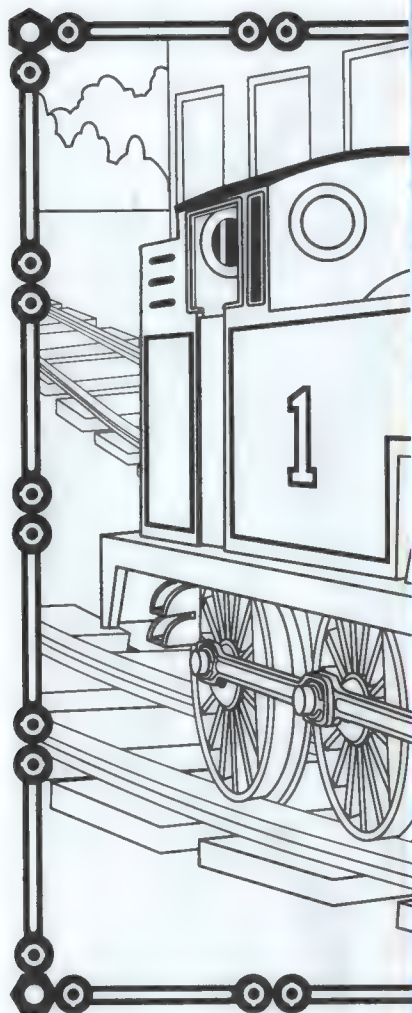

**Thomas always tries to
be a Really Useful Engine.**

**Percy's favorite job is to deliver
the mail. That is very useful!**

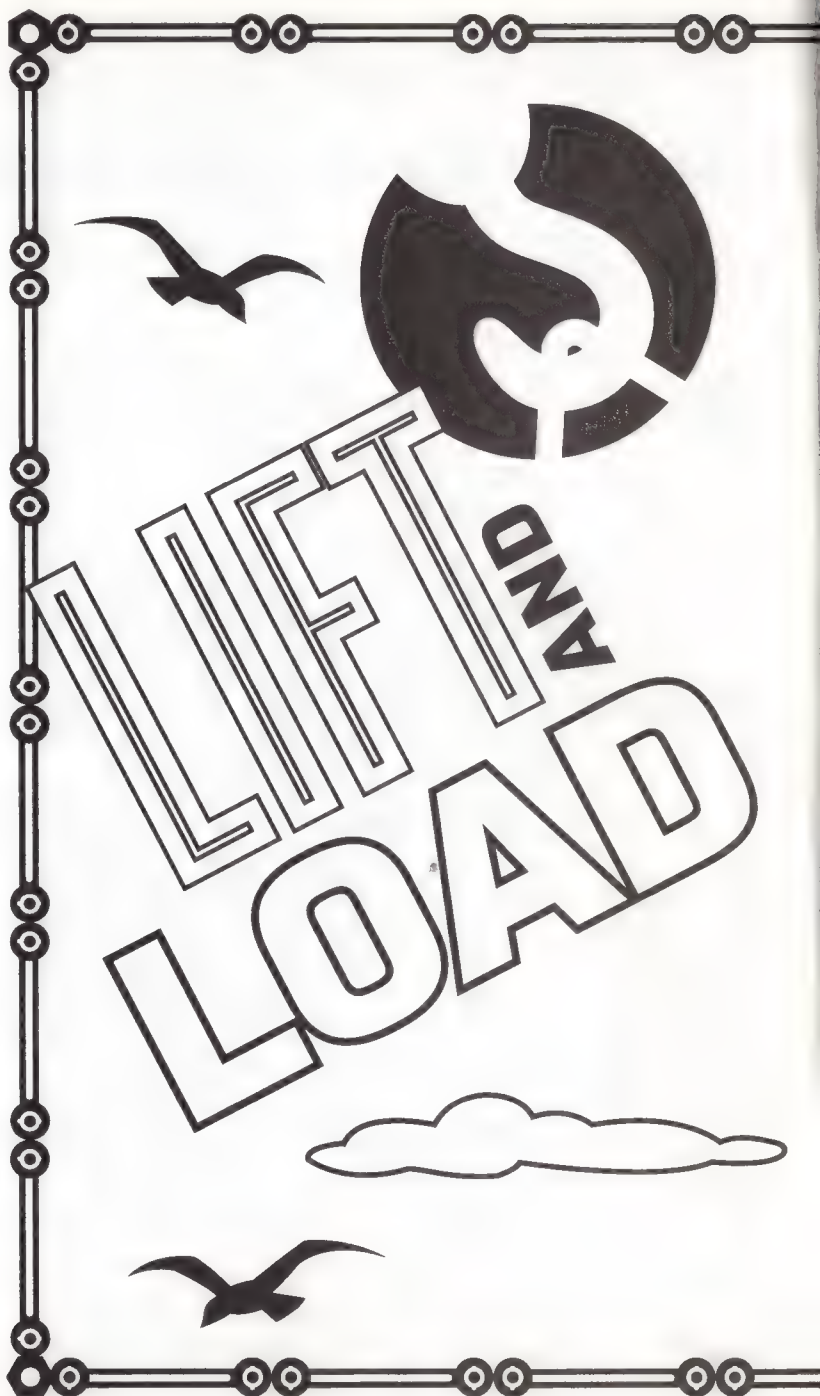

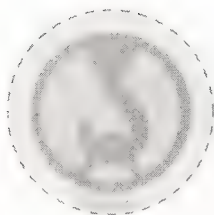

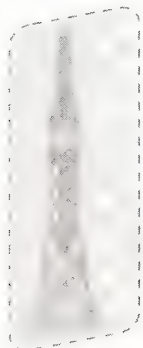

**If any engine is in trouble, Emily
is willing to come to the rescue.**

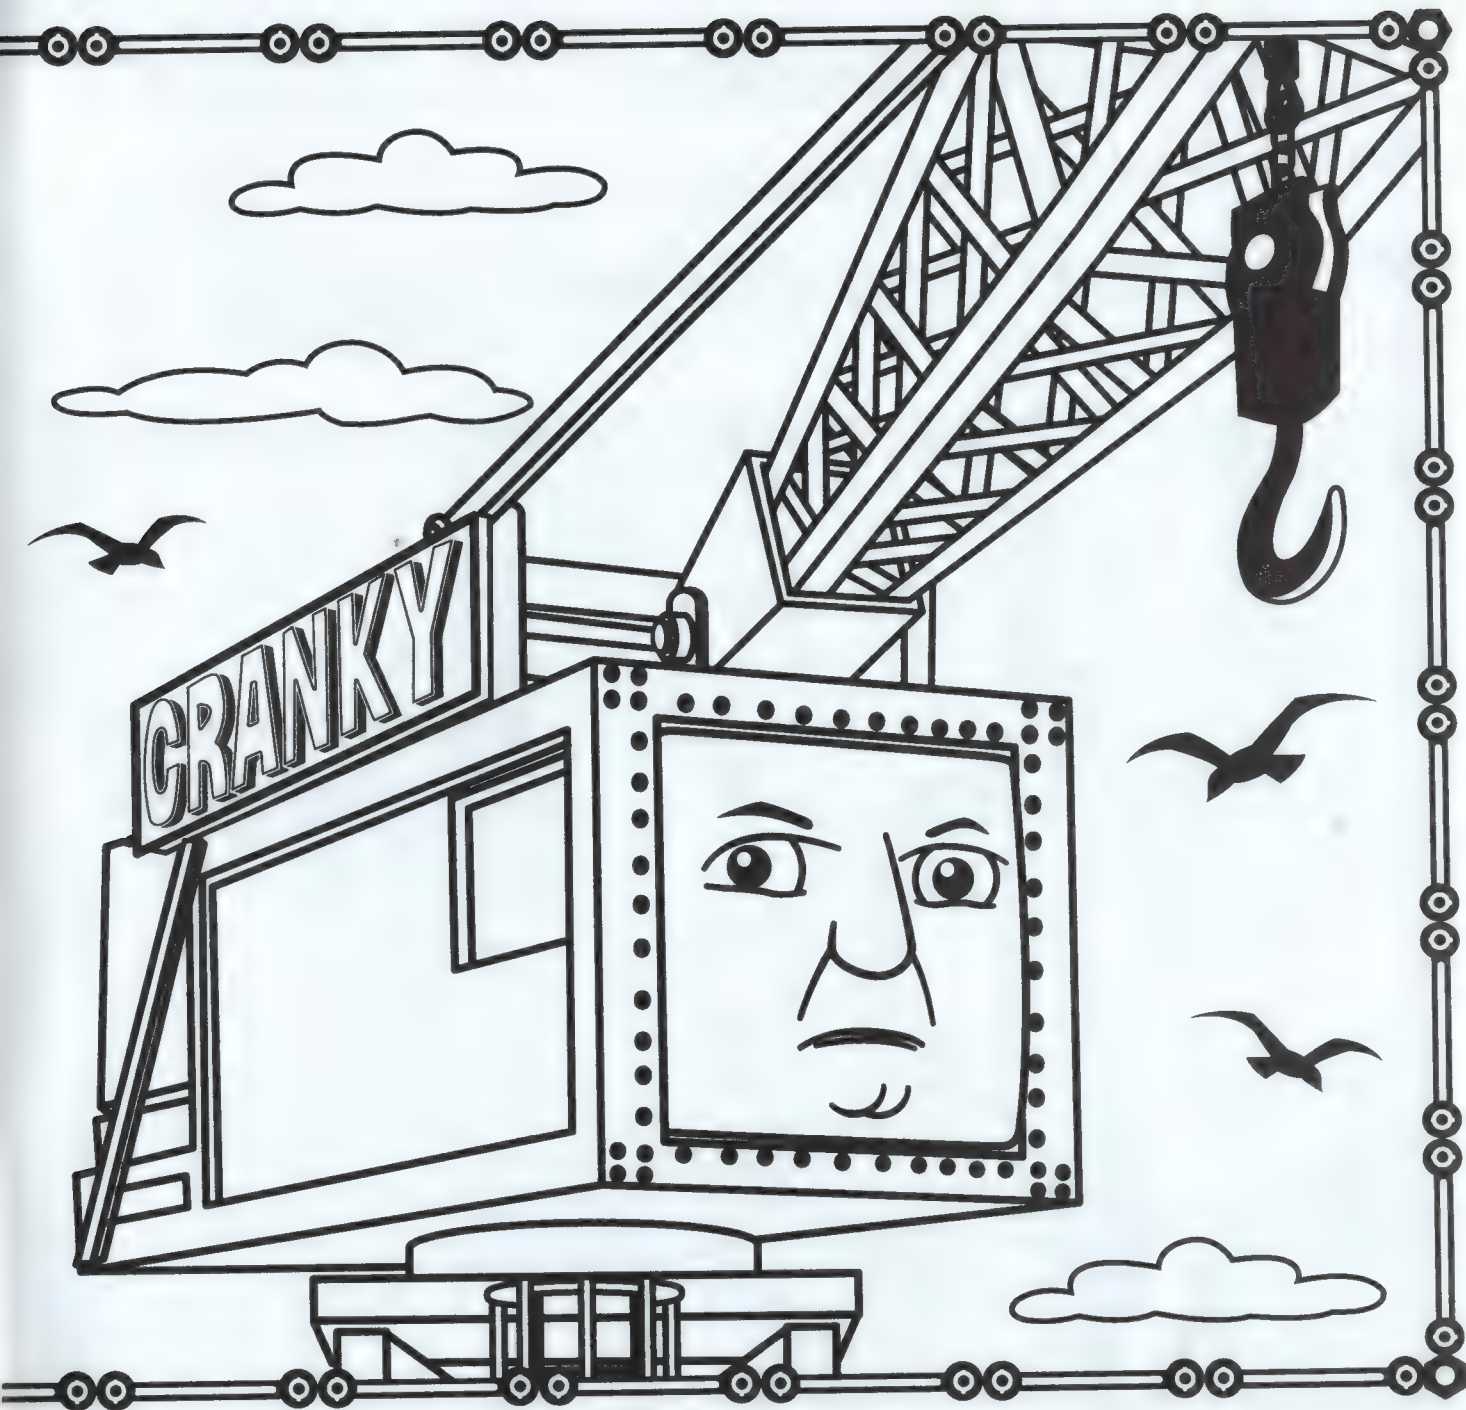

Harold is Really Useful in the skies.
He is part of the Sodor Search
and Rescue Team.

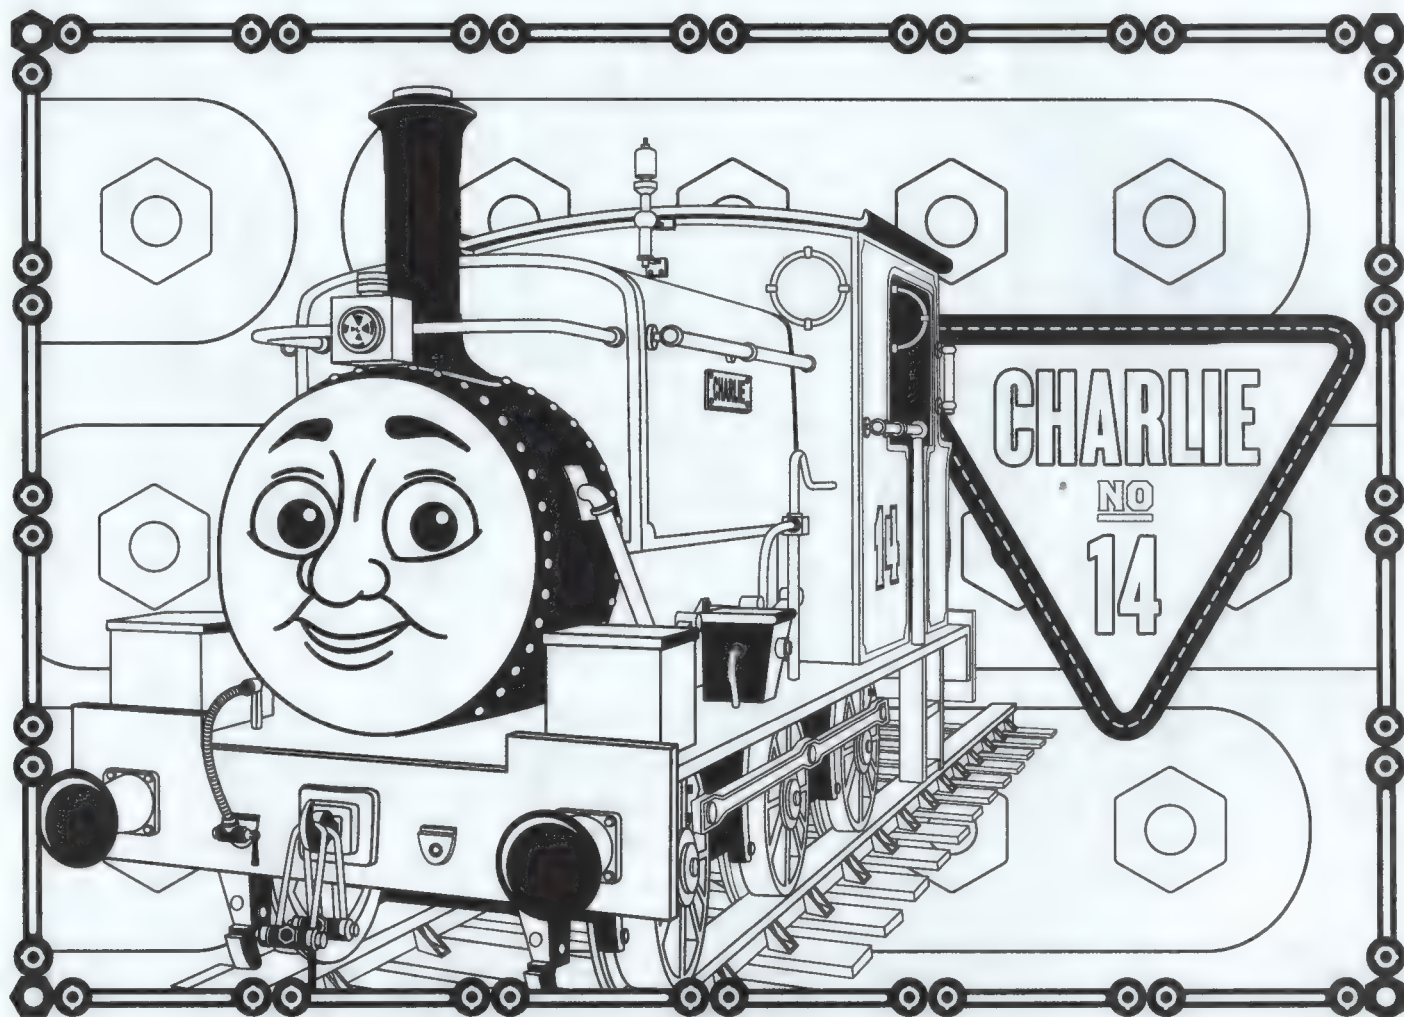

**Over at Brendam
Docks, this tall
crane helps to
lift and load.
Thank you, Cranky!**

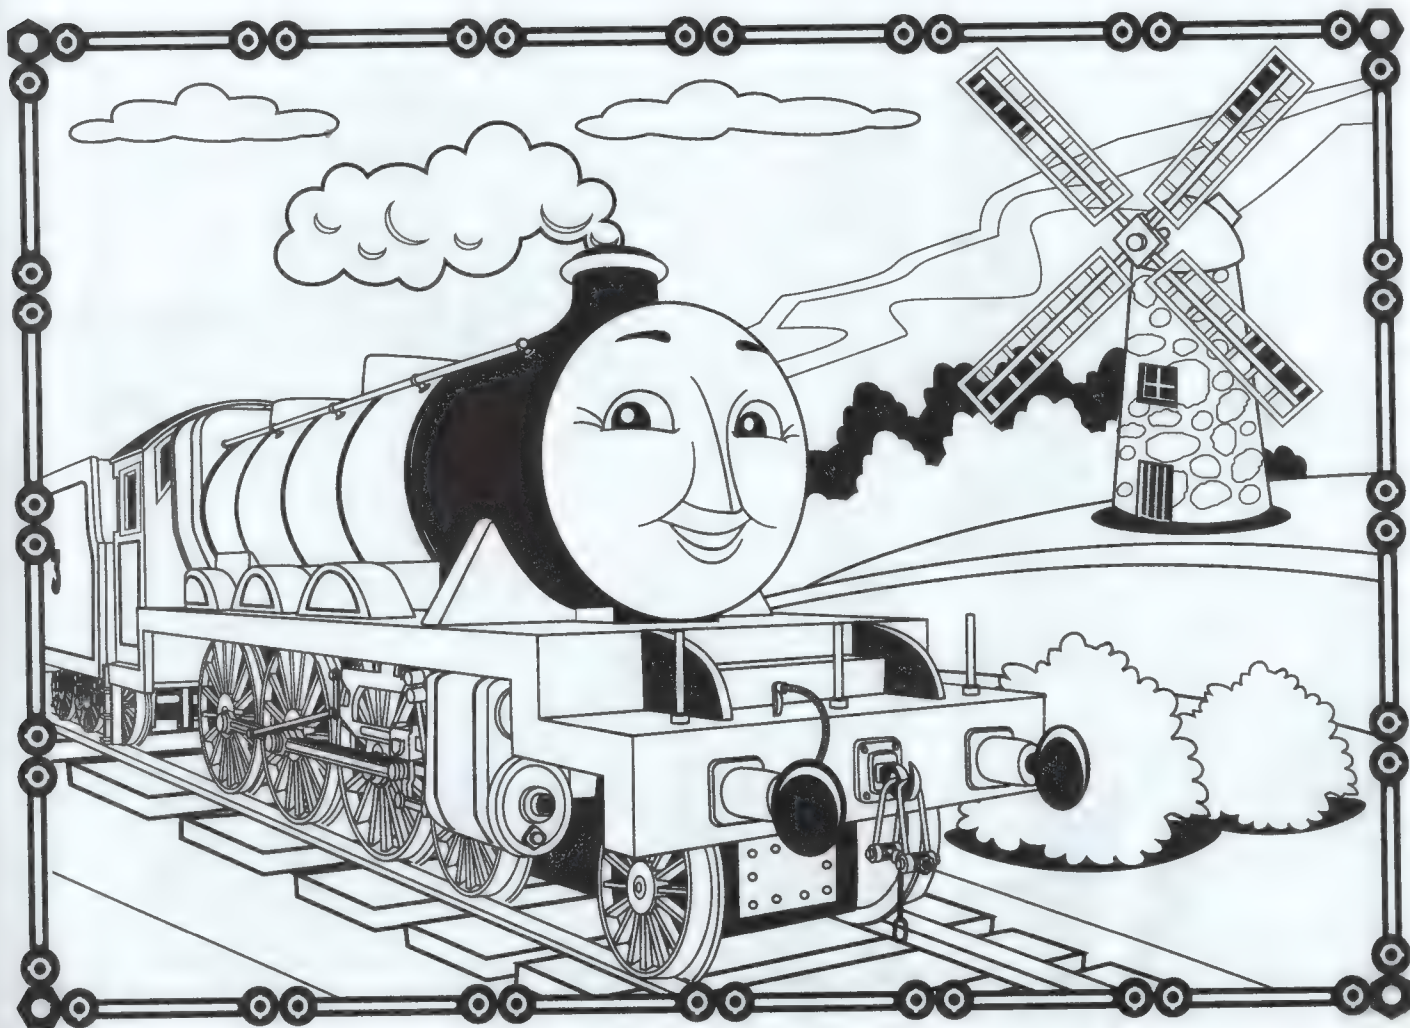

**charlie is a playful purple
engine. He likes to have fun,
but is happy to help a friend.**

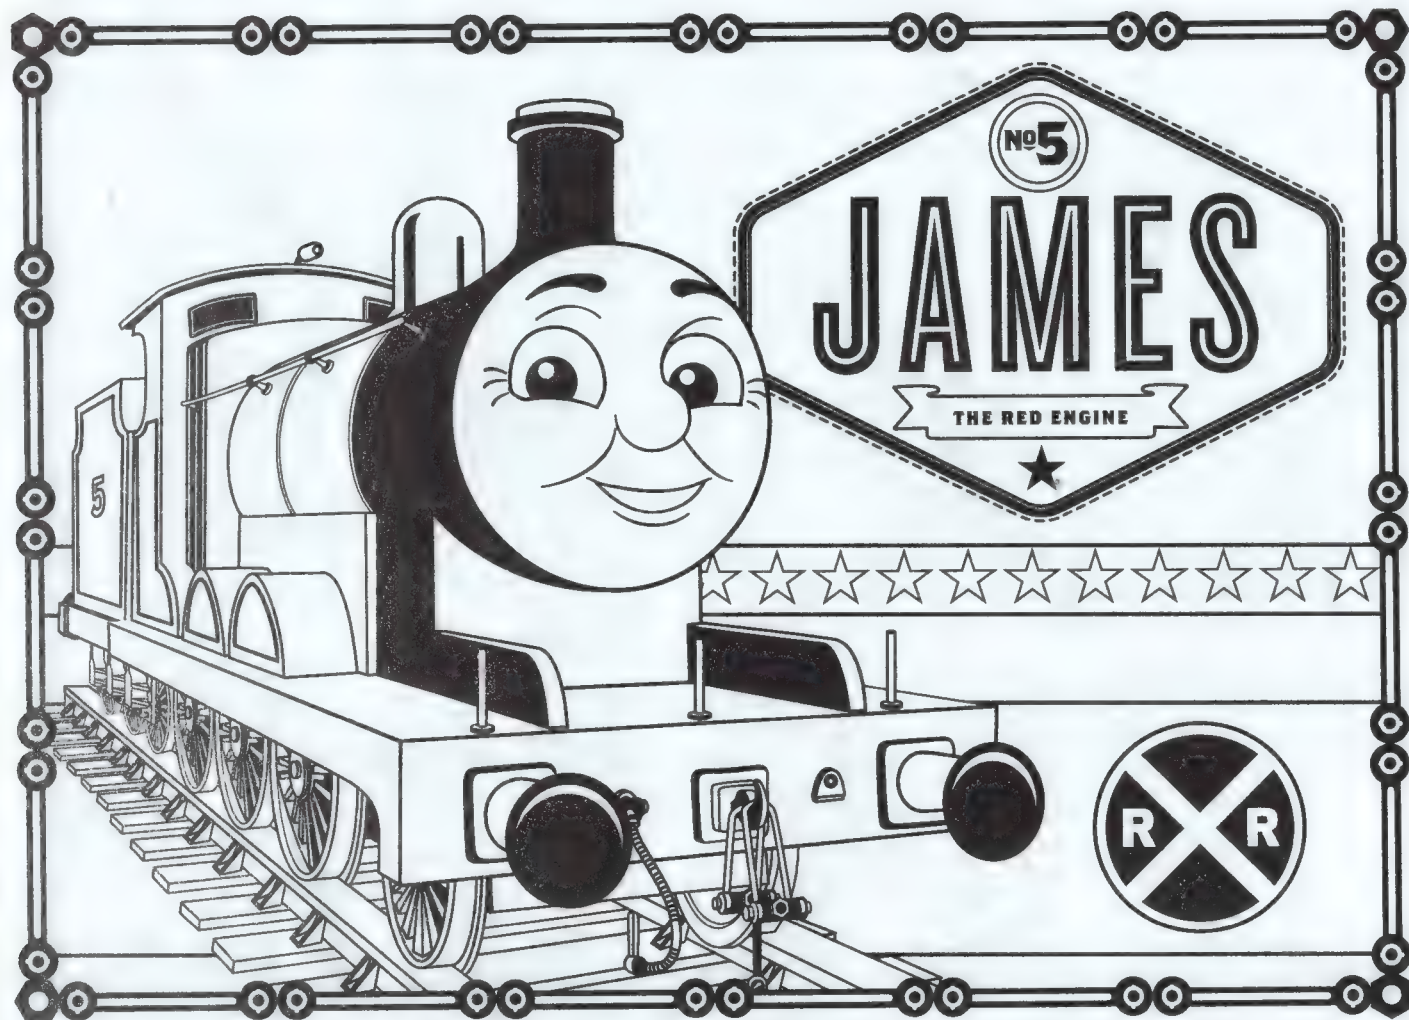

Henry is a long and fast engine.

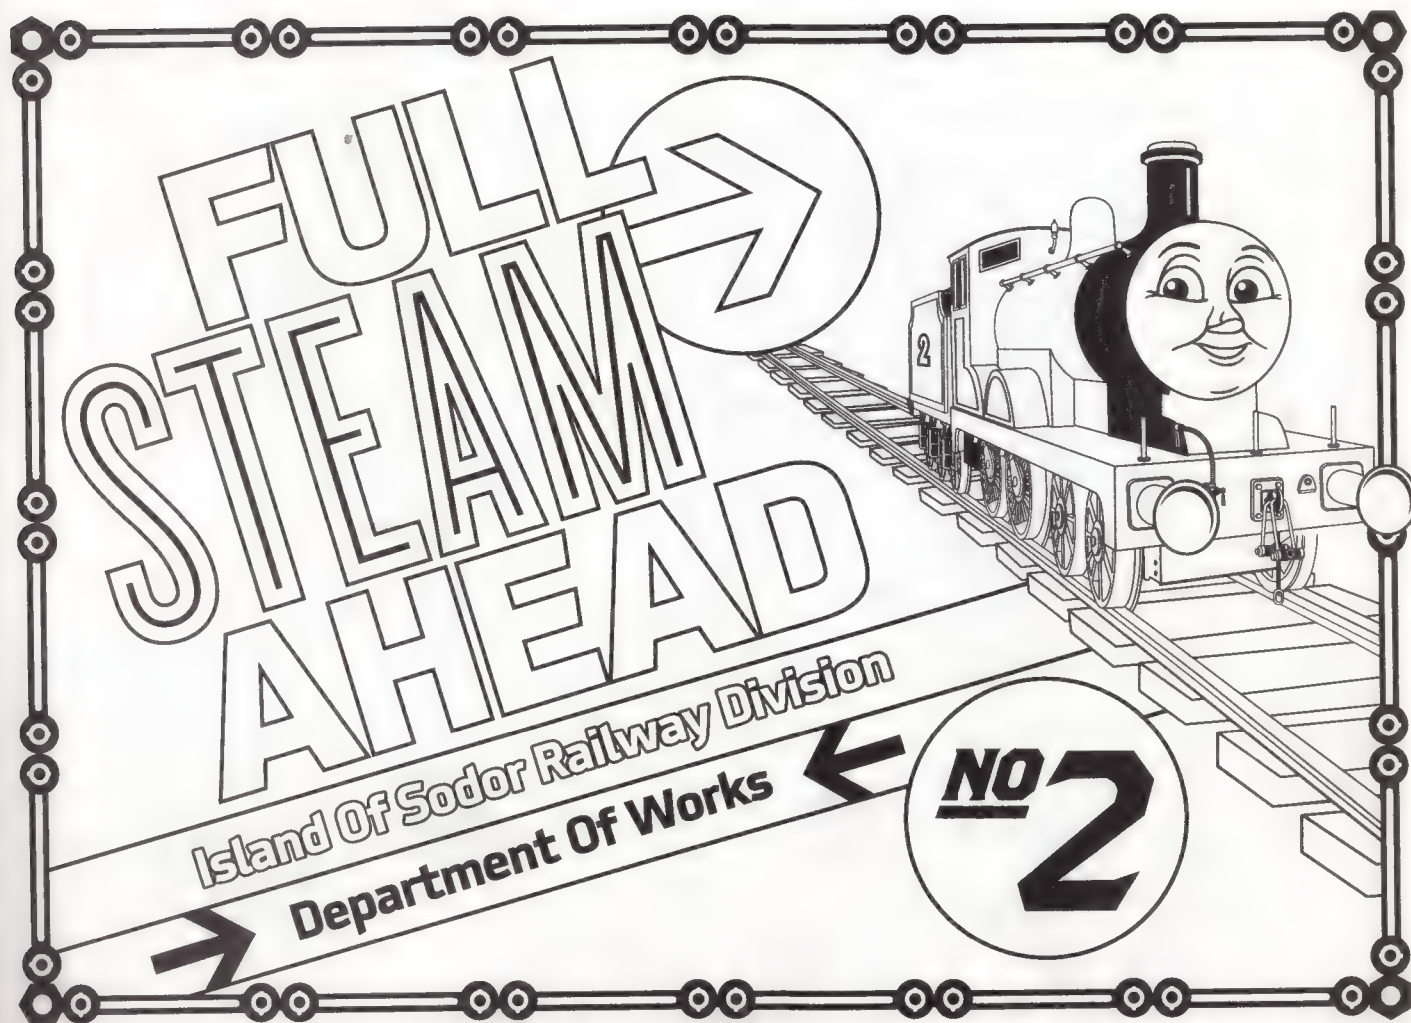

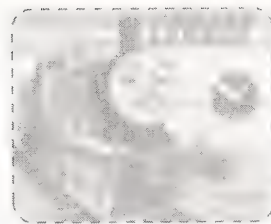

**He does tend to worry about things,
but he always gets the job done.**

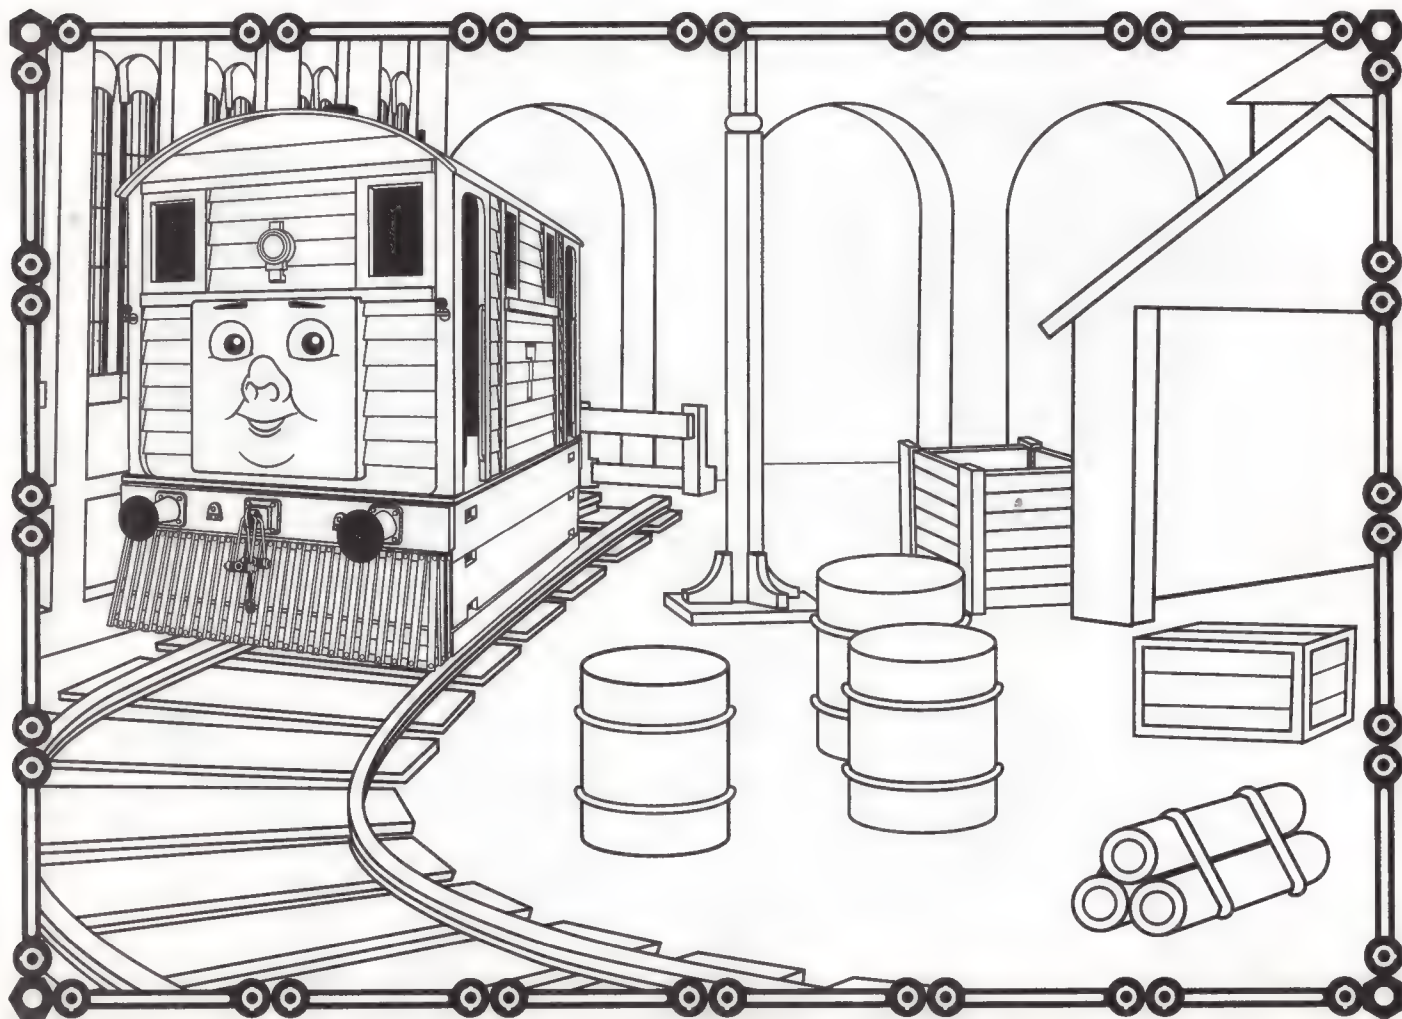

**James is a mixed traffic engine.
He can help pull either passenger
coaches or freight cars.**

**Edward is a hard worker.
Even though he is old, he
does his best to finish a job.**

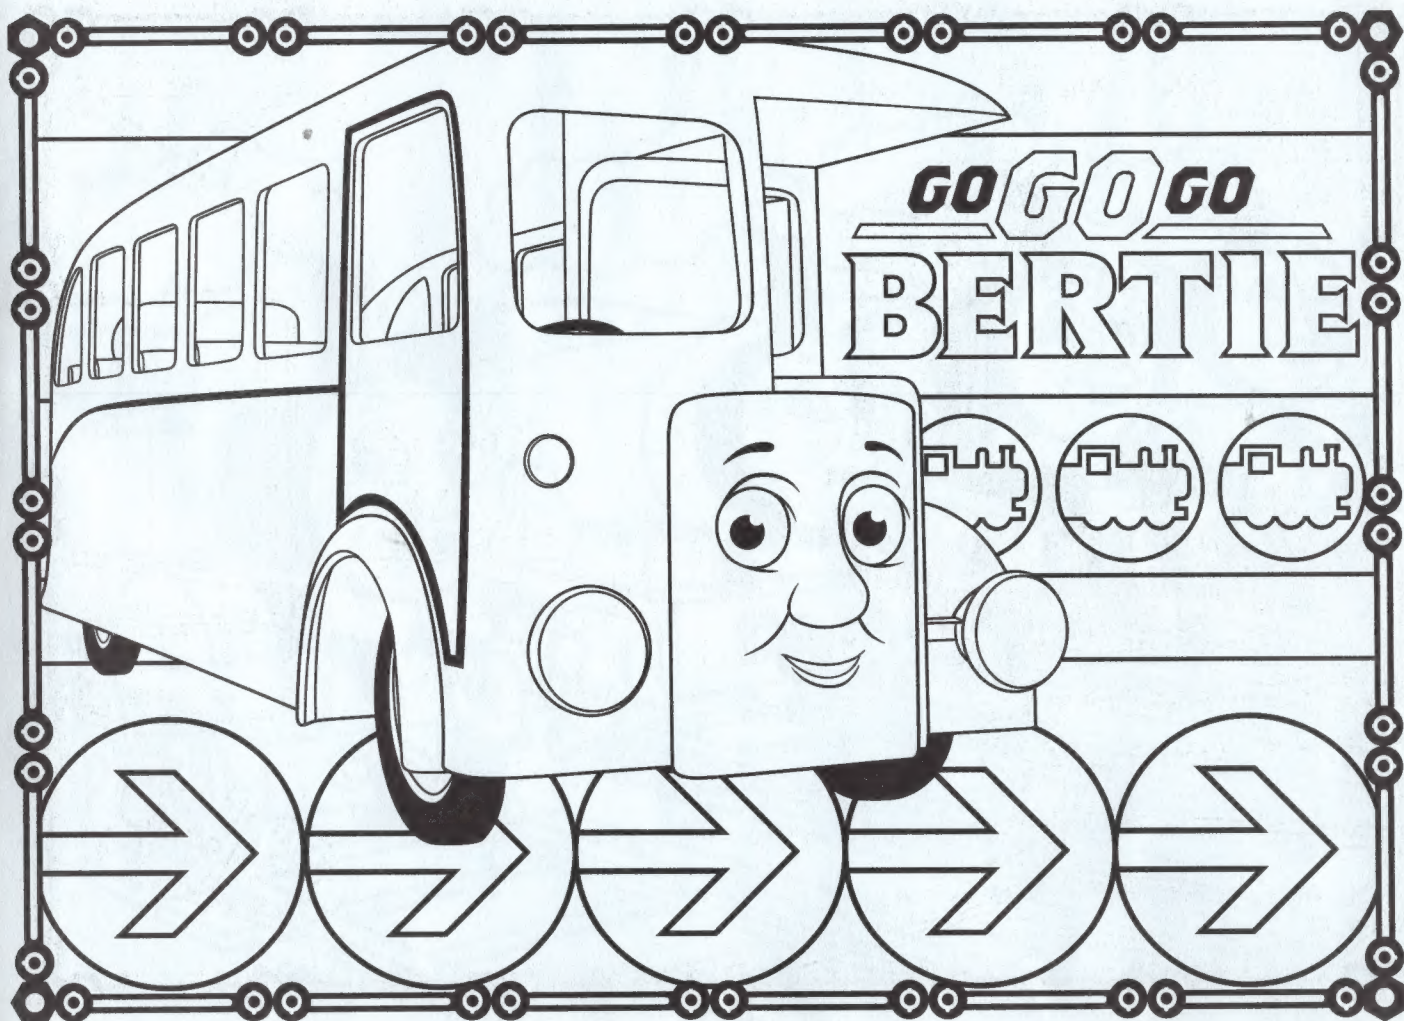

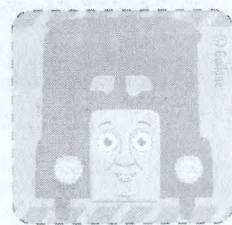

**Toby is an old-fashioned tram engine.
He is plain and brown,
but he has a heart of gold.**

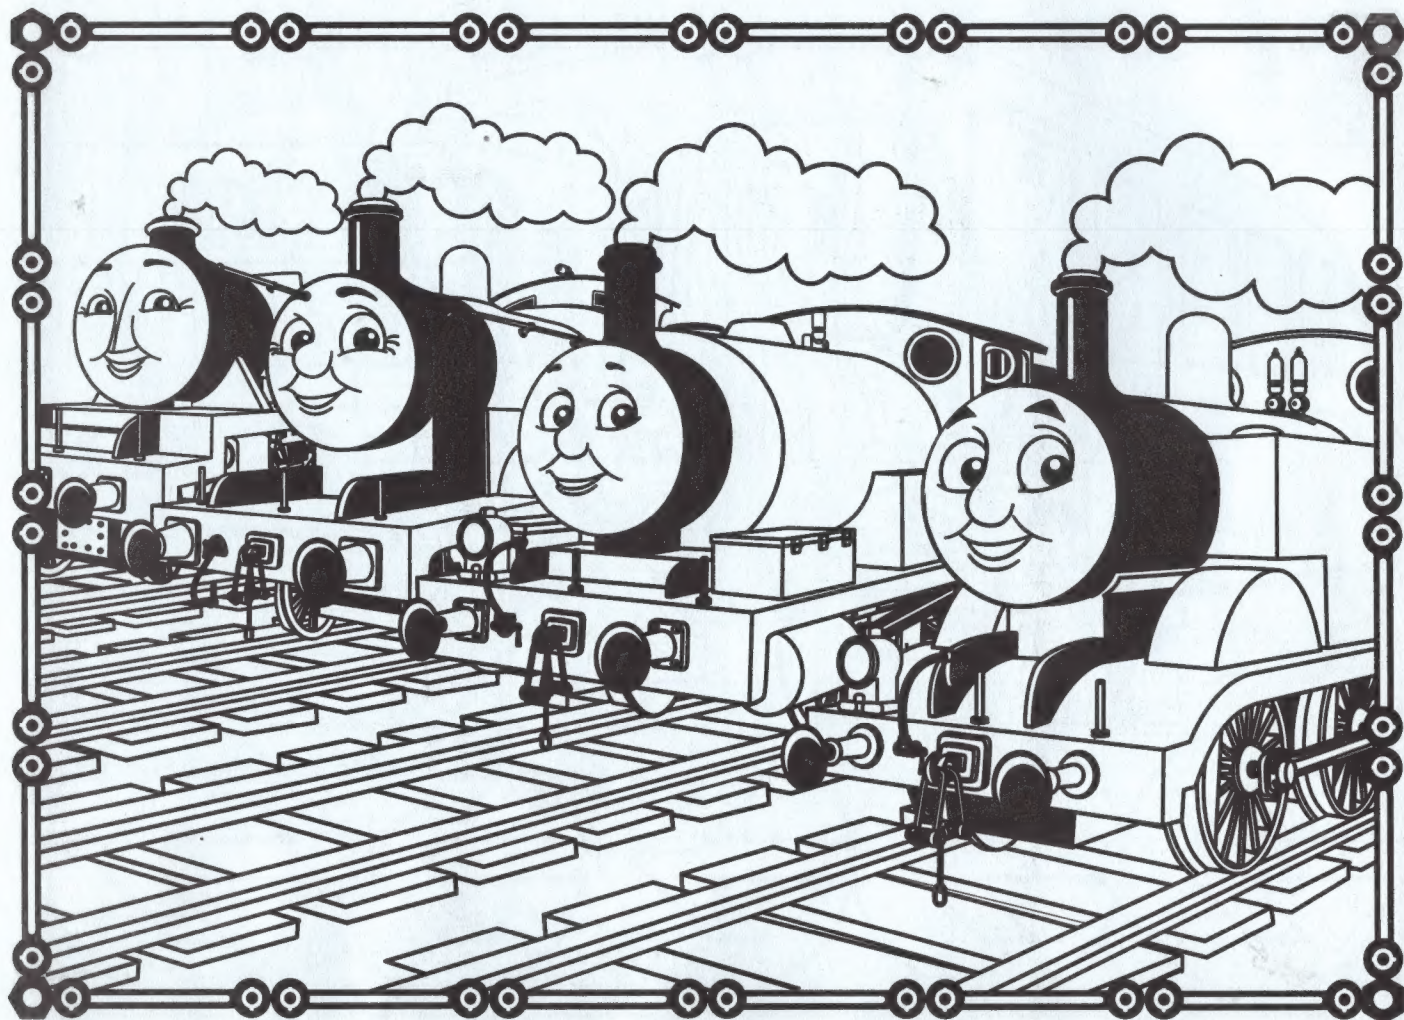

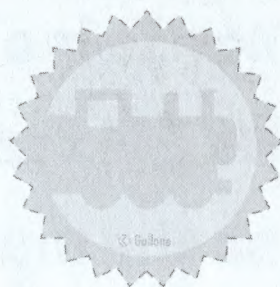

Bertie is a bright red bus.

**He can carry passengers, too,
but he must stop at red lights.**

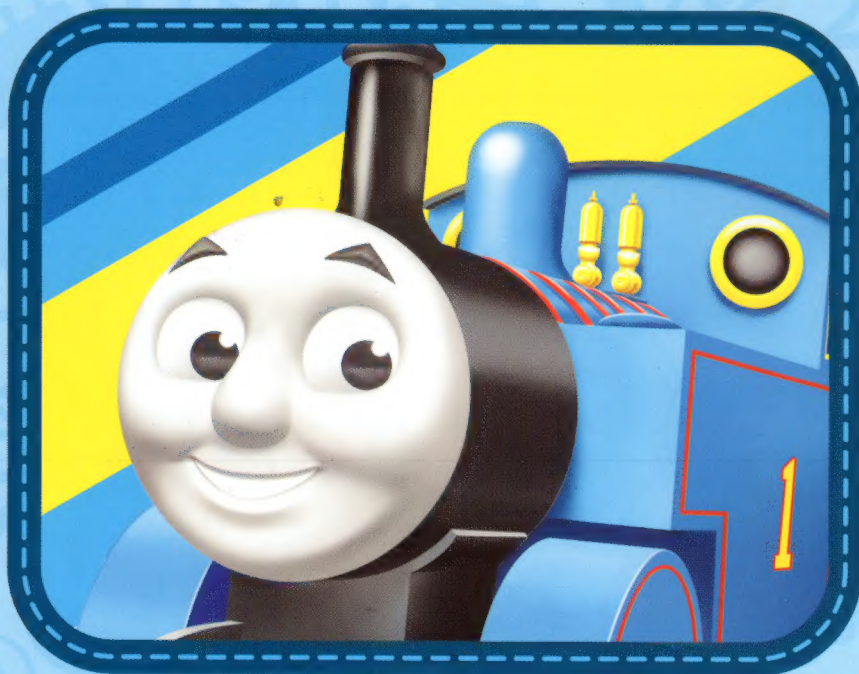

**Thomas and his friends
are all set to GO!**
